## A Line from Linda

Happy Independence Day!

Independence Day of the United States, also referred to as the 4th of July, is a federal holiday commemorating the adoption of the Declaration of Independence on July 4, 1776, by the Continental Congress declaring that the thirteen American colonies regarded themselves as a new nation, the United States of America, and no longer part of the British Empire. Independence Day is commonly associated with fireworks, parades, barbecues, fairs, picnics, concerts, political speeches and ceremonies, in addition to various other public and private events celebrating the history, government and traditions of the United States.

Independence Day is the National Day of the United States.

The Declaration of Independence has become a well-known statement on human rights, particularly its second sentence:

*"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are Life, Liberty and the pursuit of Happiness."*

This has been called "one of the best-known sentences in the English language", containing "the most potent and consequential words in American history."

God Bless America,  
*Linda*

## Maintenance Matters -

1. Summer is here! Please remember to empty your air conditioning buckets daily. We do not want breeding grounds for mosquitoes!
2. In June, we had the plumbers here several times to clean out the drain pipes! Paper towels and wet wipes were found in the pipes! This is a NO-NO!
3. Maintenance Hours - 7:00 to 3:00  
If you have a maintenance issue, please call the office!

Sadly, we lost three residents in the month of June!

Bill Dotter	E5	6/2
Rocky McClain	F10	6/4
Otto Stout	A7	6/7

May they rest in peace.

*"Providing affordable,

environment."*

You know you are living in Florida when:

- ◆ You discover that in July, it takes only two fingers to drive your car.
- ◆ You can say 110 degrees without fainting.
- ◆ You can make sun tea instantly.
- ◆ You learn that a seatbelt makes a pretty good branding iron.
- ◆ You notice that the best parking place is determined by shade instead of distance.
- ◆ Hotter water comes from the cold water tap than the hot one.
- ◆ You can actually burn your hand opening the car door.
- ◆ Hot air balloons can't go up.
- ◆ You realize that asphalt has a liquid state.

So long & farewell to our friend, Jody Hill, who has moved to the west coast to be closer to family. Jody was an exemplary volunteer, a great SFM resident and a good neighbor to all!

We wish Jody good health and happiness! She will be deeply missed.
