## A Line from Linda

Greetings & Salutations!

On Sunday, May 8th, we honor the most important woman in our life, our mother!

I cannot think of another job more important than that of motherhood, and yet most of the training is OJT!

Speaking for myself, I am very grateful that my children managed to grow up to be productive citizens in spite of all the mistakes I made!

I am also very grateful for that very special woman, Ollie, who was my mother! She taught us all such important lessons about life and I miss hearing all of her "Ollieisms"!

Happy Mother's Day to you all!

*Linda*

2. Hot weather is on the way - take the time to clean your air conditioners and the filter.
3. **ATTENTION SMOKERS!!** Use proper receptacles to dispose of your cigarettes! The grounds are not considered an ashtray.
