## A Line from Linda

### Happy Mother's Day!

Mother, Mom, Mama, or Mommy - whatever you called her, your mom was more than likely the most influential person in your life!

After all, she was the one who carried you for nine months, who went through agonizing labor and childbirth, fed you, bathed you, nurtured you and most of all LOVED you unconditionally! A mother's love is truly unconditional love; for it is only a mother's love that can overlook the muddy footprints a mischievous four year old tracks onto a freshly mopped floor or forgive the tantrums of a pubescent 13 year old or smile at the 16 year old who declares mom doesn't understand anything!

It's a universal thing! We have all been kids and we all had moms. I'm sure we all remember exact words of advice that we received from our mom. In my case, my mom had many words of wisdom, but the most powerful were: "IT'S NICE TO BE IMPORTANT, BUT IT'S MORE IMPORTANT TO BE NICE." Not only did mom preach this quote, she lived it as well.

I was blessed to have the best!

Blessings,  
*Linda*

HAPPY  
BIRTHDAY

## Happy Mother's Day!

What I didn't know until I had kids:

1. How to change a diaper in the dark, in a parked car, on a standing child, and all of the above simultaneously!
2. Why anyone would bother retracing their steps for miles just to retrieve a lost blanket!
3. How little sleep a human body truly needs to function.
4. One can never own too many sippy cups.
5. Distinctive sound of Cheerios crunching underfoot.
6. How to open a door while juggling two lunch boxes, two extra coats, a purse, diaper bag and a baby!
7. AND how much you could love one human being!

## Volunteer of the Month - Kevin Blank - A8

For the past several years, when it comes time to set up for the annual SFM All American Country BBQ Bash, Kevin has made himself available to help Ken set up tables, chairs, tents, grills, and whatever else needs to be done to get ready for the big event!

Thank you, Kevin, for being  
there to help out!

## Things my mother taught me:

1. My mother taught me logic. "If you fall off that swing and break your neck, you can't go to the store with me."
2. My mother taught me to think ahead. "If you don't pass your spelling test, you'll never get a good job."
3. My mother taught me humor. "When that lawn mower cuts off your toes, don't come running to me."
4. My mother taught me about genetics. "You're just like your father."
5. My mother taught me about justice. "One day you will have kids, and I hope they turn out just like you; then you'll see what it's like."
