A Line from Linda

Greetings!

“What others think of me is none of my business”

unknown

Isn't it interesting when someone feels the need to tell you something someone else has said about you (and it's usually something negative or unkind?) SO when I came across the above quote, it really hit home!

After all these years, I have finally learned what others think of me really is none of my business! I know I can't please everyone so I just do the best I know how to do! It certainly makes life easier and happier!

*Live, Laugh, Love,
Linda*

New SFM Board Member - Sharon Knowles

A native Hoosier, Sharon comes to us from a career in education. After college, she began teaching English and German, initiating a new German department. She later served as head of the English Department. Sharon also served on the local United Way Board. Following the sale of the family business and back-to-back “horrible winters,” the family relocated to Vero Beach.

In Vero Sharon worked as financial manager for an insurance agency. Later she returned to the educational arena at Saint Edward's School. There she spent 16 years teaching English. Later, building on her love of reading and research, she switched gears and transitioned to the library. After completing a Master's Degree through FSU, she assumed the position of Director of Library Services until 2014. Since 2014 Sharon has worked for the family citrus fundraising business.

Sharon enjoys reading, research, yoga, writing poetry, and spending time with family and friends. She is active in her church where she is in her 19th year of teaching women's Bible study class.

Sharon looks forward to getting to know the residents of SFM.

WELCOME, SHARON!

If your porch looks like this, please pour a little bleach in a jug of water and wash off the algae. It doesn't take much if you stay ahead of it! Thank you!
